Portrait of Dr. Charles E. DeVol

CHARLES E. DEVOL (1903-1989)

Portrait of Dr. Charles E. DeVol

In these academic years, he had a profound impact on his students and colleagues, and he passed on his knowledge and passion for his field to others.

Dr. DeVol had held membership in the American Entomological Society, AIBS, and AAAS. In 1938, DeVol completed his Ph.D. at the University of Washington in the preparation of his thesis on the biology of the housefly.

Impatiens devolii Huang (BALSAMINACEAE)

隸慕華鳳仙花 (鳳仙花科)
