Taiwania is issued quarterly, in March, June, September, and December, with one volume per year. Papers are published in English with a Chinese abstract.

Taiwania is open for papers on all aspects of life sciences. The privilege of publication in the journal is not restricted to members of the institute; contributions from worldwide researchers are welcome. Papers submitted to this journal must be original and have not been published elsewhere. **Instructions to Authors** are notified in the following page. Copies can be obtained from the **Editorial Office, College of Life Science, National Taiwan University, No. 1, Section 4, Roosevelt Road, Taipei 106, Taiwan**. **Taiwania** is available online from the website (<http://tai2.ntu.edu.tw/taiwania> or <http://www.press.ntu.edu.tw>) of National Taiwan University since 1988 as well as in the print edition. **Taiwania** is covered by major abstracting and indexing services, such as Biosis, CAB Abstracts et al.

Acknowledgements: **Taiwania** has been honored to be the recipient of the Excellent Academic Journal Award from the National Science Council since 1996. Editorial Board of **Taiwania** acknowledges National Taiwan University for providing partial publication cost.

Cover Photo: *Remusatia pumila* (D. Don) H. Li & A. Hay is a summer flowering plant which goes dormant in winter. This species is distinguished from the other *Remusatia* species by the spathe with two constrictions (one separating tube and limb, one separating limb into two parts). Photographed by Chi-Tung Huang.
