

## Supplement

The following supplementary materials are available for this article: Shih, T.H., K.H. Lin, Y.J. Chen, S.H. Lin, C.M. Yang. 2020. Photosynthesis-related proteins of cup-shaped galls in *Litsea acuminata* leaves. *Taiwania* 65(3): 404-412. Doi: 10.6165/tai.2020.65.407

**Fig. S1.** The quantities of analyzed proteins in normal leaves (NL), galled leaves (GL) and gall (G) are presented as “relative” values (comparing to NL set at 1).
